Principal's Message

Dear Friends,

You would not believe the excitement that was throughout the building yesterday as our children discovered it was snowing. What a spectacular event! I hope that you all enjoyed that rare occurrence. Hopefully we will experience some more over the Christmas holidays.

We are just over a week out from reaching the end of First Semester and the Christmas Break. Tonight is the Band Concert in the auditorium with some amazing music being presented by our students. If you are able, please come support this group. The concert will begin at 6 pm.

Next Thursday will be the school wide Christmas Program, to be presented at 6 pm in the Church. This is typically a packed event. Arrive early to find your seats and we will look forward to seeing you there.

7th and 8th grade are coming up on their semester exams beginning this Friday. Plenty of rest, nutritious food, and, of course, some old-fashioned studying are in order! We wish each of these students the best of luck on these tests.

Blessings,

Vince Aquila
Principal
