Principal's Message

Dear Friends,

As Andy Williams sings, we are in "the most wonderful time of the year!" Can you believe that just one week from today will be Christmas Day?

The festivities are abounding within the walls of our school community. Today, our lower grades had a Polar Express Day. They wore their pajamas to school and did all things Polar Express, and I was the lucky conductor that got to hand out the tickets. Be sure to check out the pictures to witness the joy on our children's faces.

Our Christmas Program will be tomorrow evening, December 19th, in the church beginning at 6 pm. This is always a popular, and packed, event that brings us all such cheer. Is there any better feeling than watching our children sing about Christmas and the love of Christ? Be sure to arrive a little early to find your seats as this is a crowded evening.

School will dismiss at noon on Friday with no AfterCare as we go into our Christmas holiday. The school, and the office, will remain closed until January 3rd, with students returning on January 6th. There are many advancements awaiting us in the new year, and countless blessings for us to celebrate over the next two weeks. Merry Christmas to you all, and I look forward to seeing you in the next decade.

Blessings,

Vince Aquila
Principal
