Principal's Message

Dear Friends,

Welcome back! I have prayed for you and yours throughout our weeks apart, and I hope that you are excited to return to the new semester and the new year!

We have some incredibly exciting things coming up in the next few weeks. Our SMARTLab is ready to launch! Teachers are currently training and will soon be introducing our students to this fantastic innovation in learning.

Our Holy Spirit App is now here as well! See below for instructions on how to access our app that will provide means of communication with your student(s)' classroom and special teachers, as well as receive information and alerts. This app is available on both Apple and Android devices.

The BASH is fast approaching! In just two weeks, we will come together to support our school in this memorable annual event. Tickets are now available, so be sure to reserve your seat now.

I will look forward to keeping you updated on all of this and more in the coming weeks!

Blessings,

Vince Aquila
Principal
