## Principal's Message

Dear Friends,

In the Gospel reading for mass on February 7, Jesus sends his disciples out two-by-two into the world to heal the sick and preach the good news to all. Just as the disciples our partners in the spread of the gospel, so are we as the community of Holy Spirit School partners in this mission with Christ. Thanks to all of you that gave to the Baby item drive, dog and cat rescue drive, and the Burse Club drive during Catholic Schools week. These acts of giving spread the good news of Jesus to all. Have a wonderful week.

Vincent Aquila  
Principal

## SPRING TALENT SHOW

Our school talent show is coming up in April and the time to start preparing is now! If your child sings, plays an instrument, dances, or something else spectacular that an audience would enjoy, we would love for them to showcase it in our spring talent show! Singers need a karaoke version of the song they are singing. Dancers need a recording of the song. A piano will be in the gym, where the talent show will be held, but all other instruments must be provided. Auditions will be held during music class in the month of March so please encourage your child to start preparing ASAP. If you have any questions please feel free to email me at: [jonder@hstigers.org](mailto:jonder@hstigers.org).

## Close the Summer Learning Gap!

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

Your child worked hard all year. Make sure that progress sticks. Give your child the advantage of *Summer Solutions*.
