Principal's Message

Dear Friends,

Spring Break is behind us and we're moving strong into the fourth and final quarter of the 2018/2019 school year. I hope that you all had a rejuvenating week off from school and are ready for this last push. This week we are having our St. Vincent de Paul Food drive as we battle among the saints while gathering much needed resources for those less fortunate.

We are advancing strongly into Lent with reflections throughout the school on the sacrifice that our Lord made for us all. During this time, we have a lot going on within our school and our parish. The weekly fish fry is Friday nights in the Parish Life Center following Stations of the Cross, and a great time for community and fellowship.

Next week Holy Spirit will be hosting an internet safety workshop on Tuesday at 5:30 in the auditorium where we will have a guest speaker expounding upon the ways to keep our children safe in the ever growing, and dangerous, world of the internet and social media. There is no charge, although this is an adult only event. Please consider joining us.

Many blessings to you and yours,

Vincent Aquila
Principal

Close the Summer Learning Gap!

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

Your child worked hard all year. Make sure that progress sticks. Give your child the advantage of *Summer Solutions*.

Each book is \$13.00.
