## Principal's Message

Dear Friends,

It's official – summer has arrived! This school year has just flown by. First off, I want to start by congratulating all of our graduates for the 2018/2019 school year. Our kindergarten class made us all proud at their mass and many tears of joy were seen at the 8<sup>th</sup> grade mass, including some ones of sorrow as we will greatly miss these students. We wish them all the best of luck as they continue their studies in high school and beyond.

I hope that you and your families are enjoying the break from studies because we here at Holy Spirit are already well under way in planning great things for the coming year! Here is just a glimpse at a few of the exciting things coming our way:

- 1) 1-to-1 Chromebook program in the 7<sup>th</sup> and 8<sup>th</sup> grade and additional iPads for use in the primary grades!
- 2) New Reading series in PreK through Grade 5 called Wonders by McGraw Hill. We are excited about the new opportunities our students will have to grow in reading comprehension next year and beyond!
- 3) Annual Giving program to support Holy Spirit School.
- 4) Continued movement to bring SMARTLab classroom to Holy Spirit School. This is a STEAM based classroom will give our students the opportunity to explore so many different areas of science, technology, math, arts, and engineering in real applications. Our catholic faith will infuse this program with social justice and meaning.

Enjoy your summer and know that we are working hard to greet you home to Holy Spirit for the Fall of the 2019/20 school year!

Blessings,

Vince Aquila  
Principal
