## Principal's Message

Dear Friends,

We have concluded our first full week of school and will soon complete our second. Back to school is always a time of excitement and exhilaration, and this year has been no different.

The Open House of last week was a great success as parents met the teachers and learned more about their classroom rules. The information from vendors should have helped you gauge some of the activities that your students would like to participate in. Additionally, our PTO and BASH Chairs had information on volunteering within the school. If you missed it, don't worry – there are still plenty of spaces available!

This week will begin our student led masses on Friday with the 8<sup>th</sup> grade taking the front as the seniors of our school community. Please feel welcomed to join us at the Church for this blessed event. Mass begins at 9 am.

As we fully move into this new school year, know that I am praying for you all, as I hope that you are praying for me. We have some exciting months ahead – Go Tigers!

Blessings,

Vince Aquila  
Principal

“A good school provides a rounded education for the whole person; and a good Catholic school, over and above this, should help all its students become saints.”
