Principal's Message

Dear Friends,

Today we were blessed to honor the veterans in our community of faith with the 3rd Annual Salute Our Veterans Program. This was a moving event, that was made possible by countless individuals. Our students worked hard and showed our country's defenders how honored they are to know of the sacrifices made for our country. If you were unable to attend this morning, it is available for viewing through the school's Facebook page. I will warn you – it can get emotional, so keep the box of tissues on hand.

We are coming in strong to the end of September, and there are some items to highlight on your calendar coming up. Specifically, the PTO Carnival is this Saturday! That's right, just a few more days. There are still volunteer slots available that need to be filled. This is a great event that helps us come together as a community and have some fun as we just kick back and enjoy the day. More information on volunteering and the Carnival itself are below. Also, don't forget that there is Donuts with the Principal this Friday – all are welcome! We will meet in the SMART Lab from 8:00 – 8:30 am.

It is that time of year again to begin preparing for our school musical. I know I'm excited, and hope you are as well. We are doing something different this year to have spots for backstage crew and tech. The audition information is attached to this week's Tiger Talk, as well as the backstage applications, and there will be an informational meeting for parents and thespians on October 1st.

In closing, I wish you and your family a smooth and joyful conclusion to your week, and, in the patriotic spirit that is ringing throughout our school, God bless America, and may God bless each of you.

Blessings,

Vince Aquila
Principal
