Principal's Message

Dear Friends,

First and foremost, I need to say wow, what an incredible weekend we had with the PTO Carnival! From the food and cake walk to the inflatables and games, everywhere I looked I could see the smiling faces of our children and families as they joined together as a community of faith. I hope that each of you felt as blessed and ecstatic as I did with the experience and how successfully this was put together. In particular, we need to thank each of our volunteer workers, and specifically Julia Graham, Katie Holmes, and Kristi Crowell, each of whom took a leadership role in this event. Thank you and congratulations to all!

Some other exciting news that I am pleased to convey to you is that Holy Spirit will very soon have an app available for you! This app will be focused on providing hands on information as well as updates that are specific towards your child(ren) and their extracurriculars. Be looking for more information on this towards the end of the week as it is being finalized this very day.

Next week is the last week of the First Quarter, and then charge right into the second one. I hope that the fall season, if not in temperature, is with you in spirit.

Blessings,

Vince Aquila
Principal
