Principal's Message

Dear Friends,

The first weeks of school are flying by. Can you believe that this is the week for midterms? Before you know it, we will have reached Fall Break. Before we get there, though, we have a few important things to note that are coming up in the next weeks.

We have officially wrapped up our World's Finest Chocolate sales for this Fall, and I would like to once again congratulate our top sellers, and each of our students that participated. Our SMART Lab will be a result of the hard work and dedication of all our wonderful families.

Next week we will have our second Spirit Night of the school year, and, in just a couple of weeks after that, the annual PTO Carnival! This is always an exciting day for our school family, but it can't be done without the help and support of our parents! The PTO is still looking for volunteers, from food service and ticket sales, to games and rides, there is plenty to be done. If you are able to volunteer for this event, please contact the Chairs, Julia Graham and Katie Holmes at juliacgraham@hotmail.com and let them know that we can count on you. I will see you all there!

This is a beautiful time of year. Never forget to pause and take in God's blessings all around us.

Blessings,

Vince Aquila
Principal
