

# CALLING ALL GOOD MEN

Especially those who know and love computers

aka  
The Computer Do-Dads

Do you just love computers so much you have trouble staying away from them? Do you have withdrawal if you're not tinkering with technology, troubleshooting a software problem, repairing defunct hardware? Well, have I got a deal for you!

The computer lab is calling all dads who would like to volunteer to be on the Computer Do-Dad team. We meet, as needed, to work on hardware, software, and network issues/problems.

If you are interested, please fill out the form at the bottom of this letter and send it in to the computer lab at school.

Thank you,  
Computer Lab
