_____ into the ____ grade.

I understand that the parish requires my family and me to meet certain expectations in order to qualify for parish support and to meet certain expectations of the parish in order to qualify for parish support and to receive a tuition subsidy. I understand that Catholic Schools are more effective when they reinforce what is experienced in the home and the worshipping community.

I understand these expectations, at a minimum, to be:

2. That my family attends and participates in parish liturgies.
3. That my family contributes a reasonable amount to the financial support of the parish.

Listed below are some of the parish related activities in which my family has been recently involved:

I understand that if my family fails to meet these expectations, my child's enrollment priority may be changed to a less favorable status, which might lead to higher tuition rates or the inability to re-enroll my child in subsequent academic years.
